Navigating this CD

To view the contents of this CD use the bookmarks and Adobe Reader's forward and back buttons to browse through the pages. Alternatively use any table of contents or book index to look for specific information and then use Adobe Reader's page navigation controls in the status bar at the bottom of the window to go to the relevant page.

Searching this CD

- This CD is searchable using Adobe Acrobat Reader 4 or later. It is also *FASTFIND* enabled, giving very fast searches of all files on the CD at once! The *FASTFIND* search enhancement only works with Adobe Reader 6 or later. Use the Binoculars/Search icon in Adobe Reader or "Search" under the Edit menu to initiate all searches.
- For more information on advanced searching and other tips for the best search results [click here](#)
- Generally 95% - 99% of the words can be searched. Where the original type was poor the words may not be recognised for searching.

The technical advancements that allow this searching bring a wonderful finding aid but there is still no substitute for reading the book!
