THE Publishers have great pleasure in placing before the public the 1905 edition of THE WESTERN AUSTRALIA POST OFFICE DIRECTORY, and take this opportunity to express their thanks to the Deputy Postmaster-General, the various Postmasters, Officials of Departments, and others, who have rendered such hearty and invaluable co-operation and assistance.

To ensure the correctness of the work all places of importance have been visited by special representatives, and in the more remote districts the information has been thoroughly revised by competent local residents.

THE TOWNS SECTION contains the usual separate Streets Directories of Perth and Suburbs, Fremantle and Suburbs, Kalgoorlie, Boulder and Coolgardie, with Alphabetical Directories of every other Town, Township and Postal District in Western Australia.

THE ALPHABETICAL SECTION contains the Names, Occupations and Postal Addresses for the entire State.

THE TRADES SECTION shows the Business Firms of the State, arranged under their trades or professions.

These three classifications enable the enquirer to see at a glance, (i), the Householders or Traders in any one Town; (ii), the Business and Address of any resident in the State; and, (iii), the Firms throughout Western Australia engaged in any trade or profession.

Following the Trades Section, separate Medical, Ecclesiastical, Legal, Educational, Banking, Insurance, Mining, Pastoral and Agricultural, Local Government, Official, and Postal and Telegraphic Directories are given, with the fullest information in each case.

In conclusion, the Publishers thank their subscribers and advertisers for their largely increased support for the present edition, and hope that the splendid circulation, combined with the universally admitted excellence of the work, will ensure a continued support for the next issue, which will be ready in February, 1906.
