BARRISTERS' BOARD.

(57 Vic., No. 12.)

MEMBERS.—The Attorney General & the Crown Solicitor, *ex officio*; Hon. S. Burt, R. W. Pennefather & R. S. Haynes, as King's Counsels; Mr. J. A. Northmore, Mr. T. P. Draper, Mr. R. R. Pilkington, Mr. C. B. Cox & Mr. H. W. Hensman, elected members.

Secretary—Mr. Reginald H. Goodman.

This board is established by virtue of "The Legal Practitioners' Act, 1893," and has power to regulate and control the examination and admission of articled clerks and the examination of all candidates for admission to the Bar of the State. The certificate of the board is necessary before any person can be admitted to practise.

Clerks are required to pass the usual preliminary examination in General Knowledge, and to serve articles for a period of five years, or in the case of a person who has taken a degree in any British or Colonial University, a period of three years.

Barristers and Solicitors of England or Ireland, and Writers to the Signet and Solicitors of the Supreme Court of Scotland, are entitled to be admitted to the courts of this State, and also Solicitors admitted in any colony where (i.) the law is similar to that administered in this State, (ii.) service under articles of examination is required, and (iii.) where practitioners of the Supreme Court of Western Australia are entitled to be admitted; reside for 6 months in the State and satisfy the board of his fitness, lodge with the Secretary for five months his papers in complete form, advertise for one month notice of his application, and pay the board 30 guineas. On admission a stamp fee of £10 is payable. The advertising charges amount to six guineas.

The board has power to inquire into complaints against practitioners for illegal, unprofessional, negligent, dishonest or extortionate conduct, and to make a report to the court thereon. The court awards such punishment or otherwise on the report as it may think fit.

Applicants for admission must be present in court when motion is made.

Copies of the rules made by the board, under "The Legal Practitioners' Act, 1893" may be obtained upon application to the Secretary.

LOCAL GOVERNMENT.

For the purposes of the Land Regulations and Geographical divisions the Colony is divided into six Divisions.

South-West Division contains 77,850 square miles, & is the most temperate part of Western Australia. It was the portion of the Colony first settled. It is heavily timbered & well watered & capable of supporting a large population.

Western Division contains an area of 133,000 square miles. It is suitable for pastoral purposes, & has been proved to be healthy for all kinds of stock. Included in this division is the Murchison Goldfield.

North-West Division contains 81,000 square miles, & is a rich pastoral division, consisting of well grassed plains, fairly well watered. The Pilbarra Goldfield is within this division.

Kimberley Division contains an area of 144,000 square miles. The Kimberley Goldfields, situated at the watershed of the Fitzroy & the Ord, are within this division.

Eucla Division contains 48,150 square miles, & a fair extent of pastoral country on the south coast is occupied.

Eastern Division contains 491,920 square miles, & comprises the interior of the Colony. The Yilgarn, Coolgardie, East Coolgardie, Dundas, East Murchison & other goldfields of the Eastern Goldfield group are within this division.

DISTRICT ROADS BOARDS.

ROADS.—The roads of the State, outside of Municipalities, are principally under the charge of District Roads Boards, who have powers under the "Roads Act" similar to those given to Local Government Bodies in the other States. A good number of roads, however, on Goldfields where water supply is a principal factor, are constructed and maintained by Mines Water Supply Dept. The main stock routes, of which the water supply is principal and ruling factor—passing through centre of State—are constructed and maintained at considerable cost, owing to their great length and remoteness, by the Public Works Dept. Roads Boards are authorised to levy a general rate on property within their district not exceeding 1s. 6d. in the £ in any one year when annual value basis is adopted, or 2½d. in the £ on the unimproved capital value.

The Roads Boards are also charged with the collection of Carriage licenses, and Dog tax, and Executive Duties of "Cart and Carriage Act," "Dog Act" and "Width of Tyres Act," also control of water supplies along roads which are principally constructed by Works Dept. and handed over to Local control.

The whole of the Administration of the funds voted by Parliament for roads and bridges, as well as the "Roads Act" and "Width of Tyres Act" and other matters in connection with the Roads Boards, is under the control of the Public Works Dept. Roads Board Clerk: A. E. Sanderson; Auditors: H. J. Ash and G. W. E. Plunkett.

The names of the various Roads Boards throughout the State, as existing in December, together with names and addresses of Secretaries, are given hereunder.

Roads Boards, which must consist of seven persons, inclusive of the Chairman, whom the members choose from amongst themselves, are elected by ballot by the ratepayers in the district whose names are on the Roads Board electoral list, and each elector has a proportionate number of votes to the rateable value of the property owned or occupied by him in the district. Districts may be divided into wards, in which cases the Minister may increase number of members to nine.

Owing to the complications arising from the operation in this State of the Western Australia State Tariff, and also of the Commonwealth of Australia Tariff, the publishers have found it impossible at the time of going to press to give any schedule which would be of a comprehensive nature, and have, therefore, thought it better to omit the matter altogether, with the advice to their clients to make local inquiry regarding any particular import in question.
