This board is established by virtue of "The Legal Practitioners' Act, 1893," and has power to regulate and control the examination and admission of articled clerks and the examination of all candidates for admission to the Bar of the State. The certificate of the board is necessary before any person can be admitted to practise.

Clerks are required to pass the usual preliminary examination in General Knowledge, and to serve articles for a period of five years, or in the case of a person who has taken a degree in any British or Colonial University, a period of three years.

Barristers and Solicitors of England or Ireland, and Writers to the Signet and Solicitors of the Supreme Court of Scotland, are entitled to be admitted to the courts of this State, and also Solicitors admitted in any colony where (I.) the law is similar to that administered in this State, (II.) like service under articles and examination are required, and (III.) where practitioners of the Supreme Court of Western Australia are entitled to be admitted; reside for 6 months in the State and satisfy the board of his fitness, lodge with the Secretary for five months his papers in complete form, advertise for one month notice of his application, and pay the board 30 guineas. On admission a stamp fee of £10 is payable. The advertising charges amount to six guineas.

The board has power to inquire into complaints against practitioners for illegal, unprofessional, negligent, dishonest or extortionate conduct, and to make a report to the court thereon. The court awards such punishment or otherwise on the report as it may think fit.

Applicants for admission must be present in court when motion is made.

DISTRICT ROAD BOARDS.

ROADS.—The roads of the State, outside of Municipalities, are under the charge of District Road Boards, who have powers under the "Roads Act" similar to those given to Local Government Bodies in the other States. A good number of roads, however, on Goldfields where water supply is a principal factor, are constructed and maintained by Mines Water Supply Dept. The main stock routes, of which the water supply is principal and ruling factor—passing through centre of State—are constructed and maintained at considerable cost, owing to their great length and remoteness, by the Mines and Public Works Depts. Road Boards are authorised to levy a general rate on property within their district not exceeding 1s. 6d. in the £ in any one year when annual value basis is adopted as basis of valuation, or 2½d. in the £ when the unimproved capital value is adopted, with option to adopt a minimum value of 2s. 6d. on every one allotment.

The Road Boards are charged with the collection of Cart and Carriage, Camel, Dog and other licenses, also Executive Duties of "Cart and Carriage Act," "Dog Act" and "Width of Tyres Act," also "Parks and Reserves Act," so far as it deals with Reserves under their control, and the control of water supplies along roads which are principally constructed by Works Dept. and handed over to Local Boards who control same.

The whole of the Administration of the funds voted by Parliament for roads and bridges, as well as the "Roads Act" and "Width of Tyres Act" and other matters in connection with the Road Boards, is under the control of the Public Works Dept. (F. L. Stronach, Under Secretary). Road Boards Clerk: A. E. Sanderson; Auditors: H. J. Ash and G. D. E. Plunkett; Searcher, J. J. O'Neil.

The names of the various Road Boards throughout the State, as existing in November, together with names and addresses of Secretaries, are given hereunder.

Road Boards consist of seven persons, inclusive of the Chairman, whom the members choose from amongst themselves, and are elected by ballot by the ratepayers in the district whose names are on the Road Board electoral list. Each elector has a proportionate number of votes to the rateable value of the property owned or occupied by him in the district. Districts may be divided into wards, in which cases the Minister may increase number of members to nine. When districts are divided into wards, each elector has proportionate number of votes to rateable value of property owned or occupied by him in each ward.
