The Buyers' and Sellers of Australasia Directory

(WISE'S)

PUBLISHED ANNUALLY

A Trades and Professional Directory representing the whole Business World of Australia, Tasmania, and New Zealand.

The commerce and purchasing power of these territories are increasing at a rate unprecedented in former years, just as their power of producing increases. The people are a race of producers, and as such have wants to be supplied. This work, therefore, offers to business people everywhere the means of reaching these buyers and sellers of goods—the buyers, who buy from the manufacturers; the sellers, who sell to the houses of the users—and as such is invaluable to those who wish to secure a share of profitable business.

The only work published giving the names and addresses of the whole trading world of the Commonwealth of Australia and the Dominion of New Zealand.
