A Register of every Business in Australia & New Zealand!

This publication is the only complete Directory published comprising all Trades, Businesses and Professions in Australia and New Zealand. Not merely lists of paid advertisers.

There is a separate section for each State and New Zealand.

Names are arranged alphabetically under classified Trade Headings, which are also in alphabetical order. Over 1,700 pages with more than 310,000 names and addresses.

Incorporated in this Directory are "Wise's Exporters," which show English manufacturers and exporters specialising in General Engineering and Hardware, Machinery and Tools, Sports Requisites, Jewellery, Scientific Instruments and Chemicals, Drapery and Textiles, Clothing Trade, Hosiery, Stationery and Printing.

The
Buyers & Sellers Register
of Trades and Professions in Aust. and N.Z.

Advertising That Pays

Directories are read, consulted and studied by literally millions of people in their twelve months of busy life, and even then are not discarded.

They are kept because they contain information which can never be replaced and are continually wanted for reference.

Refer to the trades section of this directory. You immediately see just how many people you can buy from and exactly the goods they manufacture or sell.

Directory advertisements are not just fill-ins. They are displayed in large, clear type faces that catch the eye, are directly to the point, and appear just where readers are going to look.

Potential buyers' thoughts are not disturbed by extraneous matter as in the case of nearly every other form of advertising.

That is why business executives and advertising specialists value the Directory, and know Wise's Post Office Directories offer advertising advantages that are second to none.
